FOR IMMEDIATE RELEASE

ROY GROUP AWARDS MacGREGOR CUP

Victoria, British Columbia, Canada

It is with great pleasure that Roy Group announces Mr. Don Wheler as the 2016 recipient of the MacGregor Cup, a trophy given out once year to a remarkable individual whose leadership development activities have made a significant impact on their communities and organizations.

Mr. Wheeler is currently the Chairman of the Board of Synergy Credit Union. He was the first Director of the Northwest School Division Leadership Academy from 2006 to 2016. Since its inception, the Academy has provided leadership training to hundreds of students, while also providing learning opportunities for Principals and Vice Principals across the district. The Roy Group team has been working with Mr. Wheeler and the Academy since 2005.

The MacGregor Cup acknowledges a leader who demonstrates personal mastery, leadership and character in inviting others to make their finest leadership contributions. The latin '*Ex Eximio Eximia*' (*Finest Self – Finest Contribution*) is engraved on the cup.

Mr. Wheeler's indefatigable efforts in bringing the Academy into being, refining it and providing a platform for students interested in leadership to experience something pivotal are second only to his signature generosity of spirit and sheer human decency. The three key criteria for the award have been plainly demonstrated in his work.
